

Tuition fees charged for the service ‘Implementation of Doctoral Programmes for Training Research and Teaching Staff’

No	Programme code	Code	Scientific speciality	Level of education	Programme title	Type of study	2023-2024 tuition fee, roubles per year	
							For students from the Russian Federation and the Republic of Belarus	For international students including stateless persons
1	2	3	4	5	6	7	8	9
1	M3.90111.2023	1.1.1	Real Complex and Functional Analysis	doctoral programmes for training research and teaching staff	Real, Complex and Functional Analysis	full-time	280 800	322 600
2	M3.90112.2023	1.1.2	Differential Equations and Mathematical Physics	doctoral programmes for training research and teaching staff	Differential Equations and Mathematical Physics	full-time	293 200	337 200
3	M3.90113.2023	1.1.3	Geometry and Topology	doctoral programmes for training research and teaching staff	Geometry and Topology	full-time	280 800	322 600
4	M3.90114.2023	1.1.4	Probability Theory and Mathematical Statistics	doctoral programmes for training research and teaching staff	Probability Theory and Mathematical Statistics	full-time	280 800	322 600
5	M3.90115.2023	1.1.5	Mathematical Logic, Algebra, Number Theory and Discrete Mathematics	doctoral programmes for training research and teaching staff	Mathematical Logic, Algebra, Number Theory and Discrete Mathematics	full-time	280 800	322 600
6	M3.90116.2023	1.1.6	Computational Mathematics	doctoral programmes for training research and teaching staff	Computational Mathematics	full-time	280 800	322 600
7	M3.90117.2023	1.1.7	Theoretical Mechanics, Machine Dynamics	doctoral programmes for training research and teaching staff	Theoretical Mechanics, Machine Dynamics	full-time	280 800	322 600
8	M3.90118.2023	1.1.8	Deformable Body Mechanics	doctoral programmes for training research and teaching staff	Deformable Body Mechanics	full-time	280 800	322 600
9	M3.90119.2023	1.1.9	Fluid, Gas and Plasma Mechanics	doctoral programmes for training research and teaching staff	Fluid, Gas and Plasma Mechanics	full-time	280 800	322 600
10	M3.90121.2023	1.2.1	Artificial Intelligence and Machine Learning	doctoral programmes for training research and teaching staff	Artificial Intelligence and Machine Learning	full-time	288 400	331 100
11	M3.90122.2023	1.2.2	Mathematical Modelling, Numerical Methods and Software Systems	doctoral programmes for training research and teaching staff	Mathematical Modelling, Numerical Methods and Software Systems	full-time	308 600	354 700

No	Programme code	Code	Scientific speciality	Level of education	Programme title	Type of study	2023-2024 tuition fee, roubles per year	
							For students from the Russian Federation and the Republic of Belarus	For international students including stateless persons
12	M3.90123.2023	1.2.3	Theoretical Computer Science, Cybernetics	doctoral programmes for training research and teaching staff	Theoretical Computer Science, Cybernetics	full-time	288 400	331 100
13	M3.90131.2023	1.3.1	Physics and Astronomy	doctoral programmes for training research and teaching staff	Physics and Astronomy	full-time	308 600	354 700
14	M3.91311.2023	1.3.11	Physics of Semiconductors	doctoral programmes for training research and teaching staff	Physics of Semiconductors	full-time	308 600	354 700
15	M3.91312.2023	01/03/2012.	Physics of Magnetic Phenomena	doctoral programmes for training research and teaching staff	Physics of Magnetic Phenomena	full-time	308 600	354 700
16	M3.91313.2023	1.3.13	Electrophysics, Electrophysical Installations	doctoral programmes for training research and teaching staff	Electrophysics, Electrophysical Installations	full-time	308 600	354 700
17	M3.91315.2023	1.3.15	Physics of Atomic Nuclei and Elementary Particles, High Energy Physics	doctoral programmes for training research and teaching staff	Physics of atomic nuclei and elementary particles, high energy physics	full-time	308 600	354 700
18	M3.91319.2023	1.3.19	Laser Physics	doctoral programmes for training research and teaching staff	Laser Physics	full-time	308 600	354 700
19	M3.90133.2023	1.3.3	Theoretical Physics	doctoral programmes for training research and teaching staff	Theoretical Physics	full-time	308 600	351 600
20	M3.90134.2023	1.3.4	Radiophysics	doctoral programmes for training research and teaching staff	Radiophysics	full-time	308 600	351 600
21	M3.90136.2023	1.3.6	Optics	doctoral programmes for training research and teaching staff	Optics	full-time	308 600	351 600
22	M3.90138.2023	1.3.8	Condensed Matter Physics	doctoral programmes for training research and teaching staff	Condensed Matter Physics	full-time	308 600	351 600
23	M3.90139.2023	1.3.9	Plasma physics	doctoral programmes for training research and teaching staff	Plasma physics	full-time	308 600	351 600

No	Programme code	Code	Scientific speciality	Level of education	Programme title	Type of study	2023-2024 tuition fee, roubles per year	
							For students from the Russian Federation and the Republic of Belarus	For international students including stateless persons
24	M3.90141.2023	1.4.1	Inorganic Chemistry	doctoral programmes for training research and teaching staff	Inorganic Chemistry	full-time	308 600	351 600
25	M3.91410.2023	1.4.10	Colloid Chemistry	doctoral programmes for training research and teaching staff	Colloid Chemistry	full-time	308 600	351 600
26	M3.91413.2023	1.4.13	Radiochemistry	doctoral programmes for training research and teaching staff	Radiochemistry	full-time	308 600	351 600
