

**Information sheet listing scientific specialities within the current open competitive selection for foreign citizens, stateless persons and compatriots residing abroad applying for admission to study on the government-funded basis on the places within the reference quota specified by Decree No 2150 of the Government of the Russian Federation dated 18 December 2020 at St Petersburg University in 2023**

Scientific speciality	Type of study	Form of admissions tests (AT)	Maximum score of points	Language of admissions test
<b>1.1 Mathematics and Mechanics</b>				
1.1.1. Real, Complex and Functional Analysis	full-time	<a href="#">Competitive selection of documents (portfolios) and interview</a>	100	English
1.1.2. Differential Equations and Mathematical Physics	full-time	<a href="#">Competitive selection of documents (portfolios) and interview</a>	100	English
1.1.3. Geometry and Topology	full-time	<a href="#">Competitive selection of documents (portfolios) and interview</a>	100	English
1.1.4. Probability Theory and Mathematical Statistics	full-time	<a href="#">Competitive selection of documents (portfolios) and interview</a>	100	English
1.1.5. Mathematical Logic, Algebra, Number Theory and Discrete Mathematics	full-time	<a href="#">Competitive selection of documents (portfolios) and interview</a>	100	English
1.1.6. Computational Mathematics	full-time	<a href="#">Competitive selection of documents (portfolios) and interview</a>	100	English
1.1.7. Theoretical Mechanics, Machine Dynamics	full-time	<a href="#">Competitive selection of documents (portfolios) and interview</a>	100	English
1.1.8. Deformable Body Mechanics	full-time	<a href="#">Competitive selection of documents (portfolios) and interview</a>	100	English
1.1.9. Fluid, Gas and Plasma Mechanics	full-time	<a href="#">Competitive selection of documents (portfolios) and interview</a>	100	English
<b>1.2. Computer and Informatics Sciences</b>				
1.2.1. Artificial Intelligence and Machine Learning	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.2.2. Mathematical Modelling, Numerical Methods and Software Systems	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.2.3. Theoretical Computer Science, Cybernetics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
<b>1.3. Physical Sciences</b>				
1.3.1. Physics and Astronomy	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.3.3. Theoretical Physics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.3.4. Radiophysics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.3.6. Optics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.3.8. Condensed Matter Physics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.3.9. Plasma physics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.3.11. Physics of Semiconductors	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.3.12. Physics of Magnetic Phenomena	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.3.13. Electrophysics, Electrophysical Installations	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian

1.3.15. Physics of Atomic Nuclei and Elementary Particles, High Energy Physics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.3.19. Laser Physics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
<b>1.4. Chemical Sciences</b>				
1.4.1. Inorganic Chemistry	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.4.2. Analytical Chemistry	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.4.3. Organic Chemistry	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.4.4. Physical Chemistry	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.4.6. Electrochemistry	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.4.7. Macromolecular Compounds	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.4.10. Colloid Chemistry	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.4.13. Radiochemistry	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.4.15. Solid State Chemistry	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.4.16. Medical Chemistry	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
<b>1.5. Biosciences</b>				
1.5.5. Human and Animal Physiology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.5.7. Genetics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.5.9. Botany	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.5.11. Microbiology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.5.12. Zoology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.5.14. Entomology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
01.5.15. Ecology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.5.19. Soil Science	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.5.21. Plant Physiology and Biochemistry	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.5.22. Cell Biology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.5.23. Developmental Biology, Embryology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
<b>1.6. Earth and Environmental Sciences</b>				
1.6.1. General and Regional Geology Geotectonics and Geodynamics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.3. Petrology, Volcanology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.4. Mineralogy, Crystallography Geochemistry, Applied Geochemistry for Mineral Exploration	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.5. Lithology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.7. Engineering Geology, Permafrost Studies and Ground Engineering	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.9. Geophysics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian

1.6.10. Geology, Prospecting and Exploration of Minerals, Minerageny	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.12. Physical Geography and Biogeography, Geography of Soils and Landscape Geochemistry	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.13. Economic, Social, Political and Recreational Geography	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.16. Hydrology, Water Resources and Hydrochemistry	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.17. Oceanography	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.18. Atmospheric and Climate Sciences	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.20. Geoinformatics; Cartography	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.21. Geocology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
1.6.22. Geodesy	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
<b>2.3. Information Technology and Telecommunications</b>				
2.3.1. Systems Analysis, Control and Information Processing	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
2.3.4. Control in Organisational Systems	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
2.3.5. Mathematical and Software Support for system, Computer Systems and Networks	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
2.3.8. Informatics and Information Processes	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
<b>2.9. Transport systems</b>				
2.9.4. Transportation Management	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
<b>3.1. Clinical Medicine</b>				
3.1.3. Otorhinolaryngology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.4. Obstetrics and Gynaecology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.5. Ophthalmology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.6. Oncology, Radiation Therapy	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.9. Surgery	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.10. Neurosurgery	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.12. Anaesthesiology and Emergency Medicine	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.17. Psychiatry and Narcology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.18. Internal Medicine	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.20. Cardiology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.21. Paediatrics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.22. Infectious Diseases	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.23. Dermatovenereology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian

3.1.24. Neurology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.25. Diagnostic Radiology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.30. Gastroenterology and Dietetics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.32. Nephrology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.1.7. Dental Medicine	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
<b>3.2. Preventive Medicine</b>				
3.2.3. Public Health, Organisation and Sociology of Health Care	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
<b>3.3. Medical and Biological Sciences</b>				
3.3.2. Anatomical Pathology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.3.3. Pathophysiology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
3.3.6. Pharmacology, Clinical Pharmacology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
<b>5.1. Law</b>				
5.1.1. Theoretical and Historical Legal Sciences	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.1.2. Public Law (State Law) Sciences	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.1.3. Private Law (Civil) Sciences	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.1.4. Criminal Law Sciences	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.1.5. International Law Sciences	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
<b>5.2. Economics</b>				
5.2.1. Economic Theory	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.2.2. Mathematical, Statistical, and Instrumental Methods in Economics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.2.3. Regional and Sectoral Economy	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.2.4. Finance	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.2.5. World Economy	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.2.6. Management	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	English
<b>5.3. Psychology</b>				
5.3.1. General Psychology, Personality Psychology, History of Psychology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.3.2. Psychophysiology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.3.3. Occupational Psychology, Engineering Psychology, Cognitive Ergonomics	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.3.4. Pedagogical Psychology, Psychodiagnostics of Digital Educational Environment	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
5.3.5. Social Psychology, Political and Economic Psychology	full-time	<a href="#">Competitive selection of documents (portfolios)</a>	100	Russian
