<p>Maximum score of points for the section - 40</p>		
<p>TOTAL</p>		<p>100</p>

Section 1. MOTIVATION LETTER

The motivation letter is an obligatory constituent element of the Olympiad. The motivation letter must be presented depersonalised: it must not bear the applicant's family name and other information that may disclose the authorship of the work.

Should the motivation letter contain information disclosing its authorship (family name, first name, middle name, etc.), it should be graded with the lowest point (zero points).

Requirements

1. The motivation letter must be written independently in the Olympiad working language.
2. It must be at least 2 pages long and must not exceed 4 pages, the font must be straight Times New Roman with the size 12 and one and a half line spacing.
3. The motivation letter should contain reasons for the applicant's interest in the subject of the Olympiad, as well as the justification of the ability to master the subject of the Olympiad. Participants must:

- point out the area of their interests and its relation to the subject of the Olympiad; provide reasons for studying the subject of the Olympiad;
- describe their academic, creative, and professional experience that the participant has in the field of the Olympiad subject;
- provide individual achievements in the chosen area of knowledge: creative projects, participation in contests, festivals, work-shops, publications, etc.
- describe their theoretical and practical skills that they expect to develop in the future, as well as describe their planned further professional/academic development or the field of application of the acquired skills and knowledge.

Evaluation criteria

0-30 points

1. Confirmed level of proficiency in the Olympiad working language – from 0 to 2 points;
2. Meeting the requirements to the formatting and content – from 0 to 2 points;
3. Presence of academic and profession-associated experience in the field of the Olympiad subject – from 0 to 2 points;
4. Interest (explanation of goals) in mastering the field of the Olympiad subject – from 0 to 2 points;
5. Prospects of implementing developed skills and acquired knowledge in their future professional career – from 0 to 2 points.
