Educational programmes open for admission of international applicants in 2023

178

Bachelor's and
Specialist's
programmes

209

Master's
programmes

149

Doctoral
(Aspirantura)
programmes

Admission of international applicants is open for government-funded and contractual places. Successful enrolment on a government-funded basis guarantees free tuition, accommodation in the St Petersburg University halls of residence on favourable terms, and monthly state academic allowance. St Petersburg University offers a wide range of programmes in English and other languages.
